<p>4. Cooper needs school supplies because school starts in two weeks. He doesn't have an art class - he doesn't like art.</p> <p>Page # <u>6</u></p> <p>No music class even though he does like music.</p>	<p>4. He better get supplies soon! It's good he doesn't have an art class I guess. It's too bad he doesn't have music class though.</p>
