READING REFLECTION

Write 4-5 sentences about your reading when you read by yourself
or when you are read to in this class.

•What did you read? •How well are you understanding? •Have you noticed improvement? •What else are you noticing? •Are you reading on your own for pleasure? •Why or why not? •What are some "light bulb" moments for you lately? •What are some strategies you are using to figure out words that you do not know yet? *Write in full sentences and do not use bullet points.*
